"SUPER SENIOR"

CAROL YAMAMOTO submitted by Virg Pabro - instructor"

Carol, has been with me from the start 5 years ago. She takes 2 line dancing, Okinawan Dance, Choir and Rhythm & Life classes. At the young age of 97 years, I am very proud to call her my student. She never takes a break of any dance whether it's fast or slow, she had never said she was or is tired. She is friendly, kind and generous to everyone around her. Her smile lights up the room. This is one reason I love my job as an instructor, because of this Super Senior - Carol Yamamoto!

CAROL YAMAMOTO submitted by anonymous

At the age of 97 years old, Carol is such an inspiration for me. During the course of a week, Carol takes 5 classes (2) Line Dancing, Okinawan Dancing, Group Singing and Rhythm & Life. Although she may be slowing down, she is such an active person and such a sweet person. She definitely keeps me going.

CAROL YAMAMOTO submitted by anonymous

She takes chorus, Rhythm and Life and 2 Line Dancing classes. How she keeps up in line dance you ask? At 97 years old and petite she takes tiny steps in her place inline. Only sits down on difficult and fast numbers. She is a perfect example on how to stay mentally sharp by exercising and socializing at the center. Also, she rides the bus to class. She's always smiling and she is a class act.

All the 2nd floor air conditioners are operational! The temperature should be set at 73 degrees. To turn the units on and off, please use the on/off switch that the unit is plugged into. You do no need to manually turn on and off the unit itself. When using the air conditioners, the windows and doors need to be closed. Thank you for your cooperation.
